

Your Donations Double Our Impact

As we approach the end of the year, events in the United States and worldwide underscore our mission's critical importance: promoting conflict prevention and resolution through expanded access to alternative dispute resolution (ADR). Your continued support is more vital than ever in helping the AAA-ICDR Foundation empower organizations dedicated to transforming the way conflicts are resolved.

Each year, the contributions we receive fuel our growth and success, enabling us to increase our impact. This is why we're reaching out today—to ask for your support to do even more. You can make a gift today by visiting aaaicdrfoundation.org/billing-detail.

Since 2015, with your generous support, the AAA-ICDR Foundation has awarded over \$11 million in grants to advance conflict resolution. Our funding has supported innovative approaches to ADR, expanded access to justice, and focused on vulnerable and underserved communities.

While we gratefully accept donations of any size, we are pleased to recognize our donors at the following levels:

- Chair's Circle: Donors who contribute \$2,000 or more
- Leadership Donors: Donors who contribute \$1,000 or more

Thanks to your generosity, this past year the Foundation made significant investments in initiatives such as the [Ray Corollary Initiative](#), which removes barriers to appointing diverse neutrals, and the [Resolution Systems Institute](#), which works with courts to increase access to justice through court-connected online dispute resolution processes. These are just two examples of how your support enables us to address unmet needs in communities through targeted grants.

We sincerely thank you for considering a donation to the AAA-ICDR Foundation. We are deeply grateful for your loyal support of our work and for being a part of our efforts to drive positive change in conflict resolution.

With appreciation,

The AAA-ICDR Foundation Board of Directors
