

## COVID-19 Safety Guidelines to be Followed by Visitors to the American Arbitration Association's Offices for Election Purposes

Welcome to the American Arbitration Association® (AAA®). In light of the ongoing Novel Coronavirus/COVID-19 pandemic, and our sincere desire to keep you, as well as our staff, as safe as possible, please adhere to the following safety guidelines while visiting our office:

- Honestly and candidly complete the AAA Visitor COVID-19 Daily Symptom Check each day of your visit before arriving at the AAA.
- Maintain a social distance of at least six (6) feet from other individuals to the greatest extent possible.
- If you are fully vaccinated, you are not required to wear a face mask at the AAA, although face masks are recommended whenever social distancing is not feasible.
- If you are not fully vaccinated, wear a properly fitting face mask at all times unless you can maintain a social distance of at least six (6) feet from all others.
- Eat or drink only in areas designated for that purpose by the AAA. If required to wear a face covering, remove the face covering only if you can maintain a distance of six (6) feet from others.
- Wash your hands with soap or use hand sanitizer upon entry (or re-entry) to the AAA's offices and before handling any election materials, including ballots or envelopes. Protective gloves will be available upon request.
- If you use or touch shared surfaces, please clean the surfaces with a disinfectant wipe before and after each use. Disinfectant wipes will be available for that purpose.
- Adhere to any and all signs and markers posted by the AAA to facilitate social distancing.
- If you begin to feel ill while on site, immediately isolate yourself and notify **AAA Vice President Ken Egger at (215) 731-2281** to facilitate contact tracing.
- If at any point in the 14 days following your visit, you test positive for COVID-19 or become presumptive positive for COVID-19, notify **AAA Vice President Ken Egger at (215) 731-2281** to facilitate contact tracing.
- Please understand that if you do not comply with these protocols, you may be asked to leave the premises.
