

## American Arbitration Association® (AAA®) COVID-19 Safety Guidelines for Off-Site Elections

In light of the ongoing Novel Coronavirus/COVID-19 pandemic, please adhere to the following safety guidelines while present at the Election Site:

- Do not enter the Election Site if you are symptomatic for COVID-19 or if, under current CDC guidelines, you should be in isolation or quarantine. Your AAA Contact has information as to whether you can participate remotely.
- In general, wearing a face mask at the Election Site is optional. However, we do require you to wear a face mask if it is recommended you do so under current CDC guidelines because you have recently tested positive for, or are presumed positive for COVID-19, or you have had close contact with someone who has tested positive for, or is presumed positive for COVID-19, and you are not required to be in isolation or quarantine under current CDC guidelines.
- Hand sanitizer will be available for your use upon entry (or re-entry) to the Election Site.
- If you begin to feel ill while at the Election Site, please immediately isolate yourself, either within the Election Site or by leaving the Election Site, and notify your AAA Contact.
- If at any point in the 10 days following the Election, you test positive for COVID-19 or become presumptive positive for COVID-19, please notify your AAA Contact to facilitate contact tracing.
- Please understand that if you do not comply with these protocols, you may be asked to leave the Election Site.
