**ASSISTANT GENERAL COUNSEL,  
KIEWIT CORPORATION**

Catherine (Cat) Damico is Assistant General Counsel for Strategic Resolutions at Kiewit, one of the largest construction and engineering organizations in North America. Ranked #2 in the ENR 2024 Top 400 Contractors, Kiewit's diversified design, engineering and construction operations span the United States, Canada, and Mexico. Cat is proud to support Kiewit in its delivery of long-standing infrastructure, energy, industrial, commercial building, and other projects that improve cities and lives.

Cat spends her working hours finding solutions to difficult challenges facing Kiewit's operational units. She focuses her attention on high-risk, complex, and/or multi-party disputes often involving advanced coverage issues. In this role, Cat prioritizes negotiated resolutions that balance the financial and relationship goals of the Company. While with Kiewit, Cat has favorably resolved disputes with a collective value of more than 2 billion dollars (US). Cat also oversees internal and external investigations on behalf of the Company.

Cat is always looking to experience something new. Her favorite part of the job is learning about the many different types of projects Kiewit delivers. When she is not strategizing resolutions for the company, Cat loves to travel, spend time with family and friends by the water, experience different cultures and cook for as many people as can fit around the table.
