As described in Annex I of the Swiss-U.S. Data Privacy Framework (“Swiss-U.S. DPF”) Principles, a Swiss individual has the option to invoke binding arbitration to determine whether a participating organization has violated its obligations under the Swiss-U.S. DPF Principles as to that individual and whether any such violation remains fully or partially unremedied (“residual claims”).

The International Centre for Dispute Resolution® (“ICDR®”) is the international division of the American Arbitration Association® (“AAA®”) and the administrator for the Swiss-U.S. DPF Annex I Binding Arbitration Program. The ICDR-AAA provides arbitrators to parties on cases administered by the ICDR-AAA under the ICDR-AAA® Swiss-U.S. DPF Annex I Arbitration Rules.

All information contained in this resume has been provided directly by the arbitrator in connection with potential selection for arbitrations brought pursuant to Annex I of the Swiss-U.S. DPF Principles. Unless specified otherwise in their biographical information, arbitrators on the ICDR-AAA® Swiss-U.S. Data Privacy Framework Arbitrators roster are not members of any other ICDR-AAA® roster of arbitrators.
