

Drew LaGravenese

Information Security Manager, AAA-ICDR; New York, NY

Drew has been with the AAA-ICDR since 2011, starting as a Systems Engineer, then Security Analyst, and is currently Information Security Manager. Drew has been working in IT / Information Security for nearly 15 years. He is a Certified Information Systems Security Professional (CISSP) and Certified Cloud Security Professional (CCSP). At the AAA-ICDR, Drew helped create a formal Information Security Program and the Information Security and Privacy Committee, comprised of senior management, to provide comprehensive oversight of the systems and process employed to protect the AAA-ICDR's information assets and systems.
