Deborah Hurley

Note that the Arbitration Panel for EU-U.S. Privacy Shield Arbitrations was established by the EU and the U.S. Department of Commerce as specified in Annex I, section F. of the Privacy Shield Framework. Accordingly, unless specified otherwise in their biographical information, arbitrators on the list of Privacy Shield arbitrators are not members of the AAA-ICDR's roster of arbitrators. All information contained in this resume has been provided directly by the arbitrator in connection with their potential selection for Privacy Shield arbitrations.

The AAA provides arbitrators to parties on cases administered by the AAA under its various Rules, which delegate authority to the AAA on various issues, including arbitrator appointment and challenges, general oversight, and billing. Arbitrations that proceed without AAA administration are not considered "AAA arbitrations," even if the parties were to select an arbitrator who is on the AAA's Roster.
