The AAA provides arbitrators to parties on cases administered by the AAA under the Privacy Shield Binding Arbitration Mechanism Rules of Procedure, which delegate authority to the AAA on various issues, including arbitrator appointment and challenges, general oversight, and billing. Arbitrations that proceed without AAA administration are not considered to have taken place under the Privacy Shield Binding Arbitration Mechanism, even if the parties were to select an arbitrator who is on the AAA's Privacy Shield Roster.

Education

University of Pennsylvania Law School (Master of Laws, LLM)
Wharton Business School (Certificate in Business and Public Policy)
