“The ICDR’s Emergency Arbitration Mechanism and Interim Measures –In effect since 2006- What have we learned?”

December 4, 2024
Miami, Florida

Venue: American Arbitration Association
1111 Brickell Avenue, Suite 1950

PROGRAM

This panel will offer an in-depth examination of emergency arbitrations within the ICDR framework, reflecting on nearly two decades of practice. Our panelists will discuss the evolution of emergency relief in international arbitration and key lessons learned. Topics will include procedural nuances, strategic considerations, jurisdictional challenges and insights into the enforceability of emergency decisions.
